Total Spent on Roads	68,506.56	77,192.78	8,686.22

As can be seen in the comparison above, our total spend on roads was more than 12% higher in 2008 than in 2007. Overall in 2008, we were more than \$7,000 over our budget of \$70,000. Both the increase from 2007 and the budget overspend were due to the increased number and severity of winter storms, a significant increase in the price of road salt and a similar increase in the cost of paving materials. No money was spent from the Roads Capital Reserve during 2008, but it is likely that this will need to change in 2009.

Again, I'd like to thank Bill Coutts for the good job he has done on our winter roads.

School Board Report
By Karen Cota

Your school board has adopted a “pay as you go” attitude. They have approved spending \$966,451 for accreditation issues at the High School. This is year one of what they are calling a five year plan to spend a million dollars each year. The operating budget is below the default. I believe they amended the budget to bring it below the default believing that it would pass and we would then have a year that isn’t restricted by the default rules and because part of the accreditation requirements is that we pass a budget. They have also approved spending \$208,036 in Health and Safety related items throughout the district. By these numbers you can see that this year they have adopted a bare bones financial tactic. The current economy seems to warrant this. Although I personally disagree with this plan, I would encourage everyone to vote “yes” on the school warrant articles. It is the best we have this year. The accreditation committee will view this as a success and should continue our probation, which is better than losing accreditation.

I would like to thank the town of Roxbury in supporting me when I was your school board member. I choose to resign in October. It wasn’t a decision I took lightly. After spending six years being the representative I felt that my time on the board was not being productive. I felt it was time for someone else to step up and be the representative. I would be happy to give information to any prospective candidate. I have lots of information I can pass on as well as help train you as to how the Board works. Our town should be represented and I would ask that someone in our town please step up. Roxbury has always supported education. I believe the next representative should be someone who continues that view point.

The Board meets twice a month, mostly at the High School Library. They do a traveling period where they meet once in every town. You would also be required to be on at least one committee. They met various times and frequency. If you ever wanted to be of service to the town this would be a job for you and you get paid \$400.00 a year! If you are interested you can let the selectman know that you will be a write in candidate or if no one is elected in March then the selectman can appoint you. Please think about it and help the town be represented at the School Board level.

Thank you,

Karen Cota

Roxbury Scholarship Fund Report 2008

The Roxbury Scholarship Fund was established in 1994 for the purpose of acknowledging Roxbury's graduating high school students. The fund's long term goal is to establish a permanent reserve to support the scholarship fund. The continuation of these goals is dependent upon \$10.00 per person membership dues and additional donations to become an "outstanding" member supporter. A monetary award is presented on behalf of all the citizens to each of Roxbury's graduating seniors at the annual "Monadnock Regional High School Senior Awards Event" held each June. Anyone interested in making the presentation on behalf of the residents should contact a committee member by the first of June.

Anyone wishing to fill a committee post or participate in any way, attend, and/or make the presentation, please contact a committee member. Carol A. White: Treasurer (Acting Chairman/Secretary) and Josh Hicks: Co-treasurer.

REPORT OF THE FIRE CHIEF

The year 2008 was a busy year!

There has been an increase in the calls for service this year, which included two structure fires. I would like to take this opportunity to thank our area towns for their assistance with these fires.

We had some damage during the ice storm in December and the Artic Cat Prowler was used to help clear debris from the back roads. The new track kit proved to be a helpful tool for this project. Deputy Mason and I will be continuing to work on the damage evaluation for the purpose of filing for FEMA funds.

I would like to remind everyone to be cautious when using alternative fuel sources during these hard times.

A REMINDER: All outside fires require a fire permit when there is not complete snow cover and this includes all outside fireplaces, even the metal ones you can purchase. You can obtain a permit from myself, Deputy Tim Mason, Deputy Buddy Mattson and Police Chief Gary LaFreniere.

Respectfully submitted,
Allen J. LaPlante
Fire Chief

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environment Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online www.nhdfi.org.

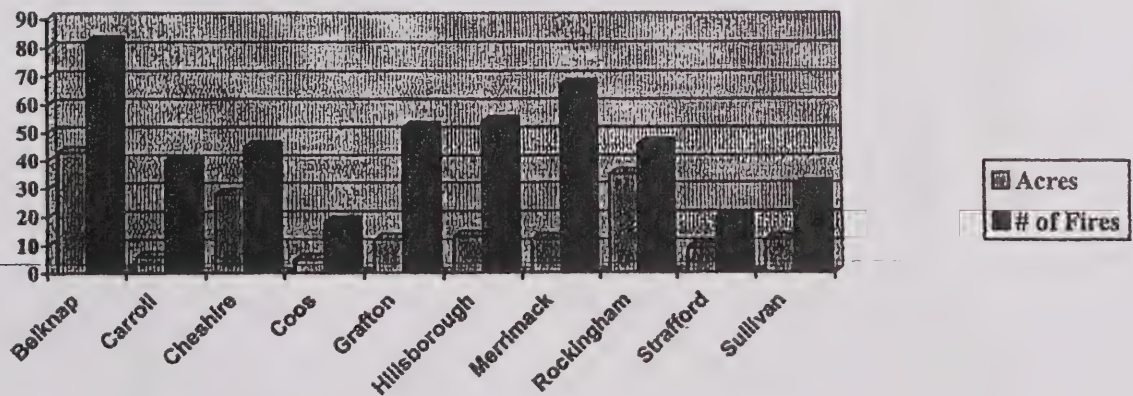

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to the quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to the home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ROXBURY POLICE DEPARTMENT

TOWN REPORT FOR 2008

The Roxbury Police Department had a very busy year. Normal patrolling was done off and on, as problems arose, but due to several grants, special patrols took place during most of the summer. During the special patrol, emphasis was given to Babbage Dam, Otter brook Dam, Woodward Pond Dam, and Class six roads, Branch road, Rte. 9 and Middletown Road. It takes a lot of planning to give the best police coverage while keeping within the town budget. Investigation time, court time and administration time were up to an all time high, compared to past years. Patrols also increased with the addition of Friday and Saturday night's patrols during the summer. Automotive and civil complaints seem to be on the increase. Again, I would ask that if you see something suspicious in your neighborhood to report in right away. We are not on patrol on a full time basis, so it's hard to know if there is a problem in your area, unless you report it.

ROXBURY POLICE OFFICERS:

Chief Gary LaFreniere: serving since 2001
Sergeant Steve LaMears: serving since 2003
Corporal Richard Comerford: serving since 2007
Officer/ACO Matt Bloom: serving since 2007

The Roxbury Police Officers work different shifts, which allow more coverage day and night to handle calls. To contact an officer: **call 911 for emergencies or 355-2000 for non-emergencies**. By calling these numbers you will connect to the dispatch center, which has capabilities of paging the officers, as well as, calling them on the phone or radio. The Police Department has a new telephone number for the **fax: 352-7052**.

ROXBURY HIGHWAY SAFETY COMMITTEE

Help sponsor annual DWI safety patrol for Roxbury roads.

Concerning Facts:

More than 42, 000 people die every year in motor vehicle crashes and almost 3 million are injured.

Motor vehicle crashes are the leading cause of death for people between the age of 4 and 34.

Based on miles driven, teenagers are involved in 3 times as many fatal crashes as all other drivers.

During 2007, 14,726 people were injured and 129 people lost their lives in motor vehicle crashes in New Hampshire.

Of the people who died, 25 were on motorcycles.

The majority of the people who died were not wearing helmets or seatbelts.

Please be safe while driving...

2008 ROXBURY PLANNING BOARD REPORT

There were no requests for subdivisions in 2008.

Three revisions to the Roxbury Zoning Ordinance proposed by the Planning Board were approved by the voters at town meeting on March 11th.

Don Tardiff was voted an Alternate member of the Planning Board in April.

The Board worked on a survey of the residents of the town to get input for use as a guide to the revision of the town's Master Plan.

The survey was sent out in early August. A good response was received in September, and the results are being incorporated into the new Vision Statement as well as in other parts of the Plan. Sections of the new Plan were assigned to Board members. Two sections of the revised Master Plan are to be completed in time for a Public Hearing before the town meeting in March 2009.

Andy Bueckner resigned as Board Chairman in November, due to work-related time constraints. Vice Chairman Dave Shepardson agreed to take over as Chairman, and Josh Hicks agreed to become a full Board member.

Respectfully submitted,

Going, Going, Gone!
Roxbury Cemetery Pine Tree removed...
(photo by S. R. Gilcreast, Jr.)

Thanks to the diligent effort of the Keene Monument Company and the Davis Tree Company, the pine tree in the Roxbury Cemetery has been removed - leaving the headstones unscathed and avoiding future damage to the granite markers in the area. One marker, that of Wetmore Dawes, was reported missing. The marker could have been inadvertently broken or carried away with the felled tree branches. A new marker has been installed and there will be further investigation in the spring. There is additional tree work that should be done in the future, but for the moment, the removal of the pine tree, with its low hanging branches, is a giant step forward. The process of repairing and straightening the headstones will also continue.

Trustees, Lynn Bueckner, Robin Buffum and Betsy Gilcreast met last year to draft and fine-tune the Cemetery Guidelines, which included a brief explanation of "green" burials. It is hoped to have the guidelines printed in the Roxbury Newsletter for residents to review and, at Town Meeting, be able to offer constructive suggestions they might have. Robin Buffum placed the American Flags throughout the cemeteries this year and Lynn Bueckner placed the hanging pots of flowers at both entry ways. Steve Yardley continues to oversee the overall maintenance and brush removal.

Our State required Reports of Common Trust Fund Investments were completed in timely manner, reviewed by our auditor and mailed to the Charitable Trust Division and the Municipal Services Division prior to the March 1st deadline. TDBanknorth funds

held in CD's for the Kingsbury, Davis, Nye, Clark, Phillips, J. & E. Davis, and C. & A. Eveleth funds presently total \$1,004.78. The following chart details these and the MBIA and Pool Plus Capital Reserve Funds.
